Muz. file 54-08-2 collections are found in the order sheet by the transfer of the Muzrai Commissioner's letter, with enclosures, to the control of the D.? No. 87 is contained in the 2nd collection, 86/A 0 4/7 A.D.

The Muzrai Commissioner's letter is submitted for perusal. The Dharmasala was once under the Palace Officer and was receiving a grant from the Palace. Later it was transferred to the Muzrai Department. While grants continued to other chattrams in the State this Dharmasala also received the usual grant. On the abolition of the chattrams this grant has stopped.

The Dharmasala Committee's contention is that the grant was given to the Dharmasala by a Sannad of His Highness. All grants were made either by His Highness or under his orders. So no special case can be made of the Dharmasala on this account

There is, however, another ~~special~~ feature about the case. The grant was once paid by the Palace out of Palace Funds. If the Committee represent their case, the Palace Department may be prepared to continue the grant and to meet it from Palace Funds. For this, however, the Committee

will have to apply to the Palace Authorities.

The Muzrai Commissioner may perhaps be informed that as observed by him no exception can be made of this Dharmasala by Government, and that for the continuance of a grant from Palace Funds under the Sannad, they may apply to the Palace Authorities.

We need not make any suggestion as to whether the feeding or grant of doles of gram be the nature of the institution same. Even if we did are Srirangam Chattrams free even the practice of giving rice & to foreigners. The continuance of the grant is not possible until the Govt may be informed accordingly. The Dharmasala has to reduce its Scale of Expenditure according to its present income. The case may be Supdt of Devasthanams

From

A. K. Syed Taj Peeran, Esq., B.A.,
Muzrai Commissioner in Mysore,
Bangalore.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

Sir,

Referring to para 16 of Government Order No.875-90/M.F.89-23-10 dated 13th November 1926, directing the discontinuance of the annual grant of Rs.864/- paid to Gaggulala Dharmasala in Mysore, I have the honor to forward herewith copy of letter No.H-993/26 dated 8th June 1927 together with its enclosures from the Deputy Commissioner, Mysore District, submitting an extract from the resolution of the Dharmasala Committee passed at a meeting held on 15th May 1927 to the effect that the institution is not an anna chattram coming within the purview of the order referred to above and that the grant rests on a sannad of His Highness the Maharaja Sri Krishnaraj Wadeyar Bahadur, III and requesting that the matter may be kindly placed before Government for a reconsideration of their order, as it will be very difficult to meet the expenditure of the Institution otherwise.

2. The Dharma Patrika of the late Gaggu Lala, Founder of the charities refers to a Sannad of His Highness the Maharaja dated ಸಂವತ್ಸರದ ಶ್ರೀಮುಖ ೨೨). granting 300 Kantirai Pagodas for the benefit of the charities. The Inam Superintendent and the Huzur Secretary to His Highness the Maharaja who were written to in the matter have replied that a copy of the sannad is not forthcoming in the records of the respective offices. In his report dated 21st September 1908 the Amildar of the Mysore Taluk reports that from 1897 to the end of September 1908 the amount of the taluk grant was being received in the Taluk Office from the Palace and paid to the Management and the transfer of certain Institutions from the Palace to

to Government in the Rural Department, the grant for Taluk office itself to the end of June 1927.

3. It seems to me that the reason urged by the Deputy Commissioner for the continuance of the grant is not acceptable and that the ... resolution of the Committee is not based on sound reasonings. The rural charities that are being conducted in the Dharmasala are the giving of kolon of grain and cash to Iyragin and Begaras. It is therefore clear that the Dharmasala serves the same purpose as an ... Arna Chattram. It would be anomalous to stop feeding or issue of cash in Government institutions and continue the same in private institutions with a contribution from State Funds. The best course therefore appears to be to revise the said scale in order to adjust the Expenditure according to the income derived from the endowments of the charities. Proposals on this behalf have been called for from the Deputy Commissioner separately.

4. With the above observations, I submit the case for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant

(Illegible)

Rural Commissioner.
